

Famiglia Pasqua

ROMEO & JULIET

PASSIONESENTIMENTO
VENETO IGT WHITE
2018

Wines dedicated to Verona and to the most romantic love story ever, Romeo & Juliet. A unique label, shot by the photographer Giò Martorana, shows the messages left by lovers in the yard of Juliet's house.

Our Red and White wines are made using the legacy appassimento technique, where grapes are dried for weeks in wood trays before winemaking begins intensifying the grapes' flavor. The end result is a totally modern, versatile wine that is perfect for any occasion.
