PASQUA

PASSIONE E SENTIMENTO VENETO IGT
BIANCO 2018

PassioneSentimento Bianco has been created based on the idea of using Garganega alone to obtain an elegant white, with good structure, which evolves successfully over time. A white wine that, on the nose, reveals intense and decisive aromas, citrus notes and overtones of apricot and peach. On the palate, it is rounded and pleasant, well balanced with an enduring finish.
